To whom it may concern:

My name is Scott Schilder, and I have been privileged to serve as the Senior Pastor of New Life Christian Center, Foursquare Gospel Church, in Woodstock, IL for 17 years. For over 7 of those years it has been my joy and honor to have Ed Chambers serving alongside me as a church Elder, Teacher, Pulpit Preacher, Leader of our Prayer Team, and with his wife, Donna, championing our ministry outreaches to provide school supplies, food and clothing to the poor in our community.

Ed has seen measurable results of growth in the lives of those to whom he has ministered. He is a serious student of God's Word, following the mandate of 2 TIM. 2:15 to "*Study to show yourself approved, a workman not needing to be ashamed, rightly dividing the word of truth.*" Ed has also written an excellent book that I highly recommend called "America: In God We Trust?" which has pertinent truth for the times we live in today.

While serving on our Prayer Team, Ed has led people to salvation, the Baptism with the Holy Spirit, as well as physical healing, miracles and prophetic evangelism, resulting in great encouragement to those he ministers to, with a heart that is humble and motivated by the same compassion that moved Jesus to touch the lives of people, changing them for the better.

Ed has considerable experience in the area of Financial Stewardship and has worked in the Financial Services Industry. Ed teaches an outstanding workshop on financial stewardship. I highly recommend his counsel and Biblically sound instruction for your church or business. Most of all, Ed has a submissive spirit to help pastors bring their congregations to a place of health and wholeness, in every dimension of life; spirit, soul, and body.

I hope you will seriously consider having Ed Chambers speak or serve you and your congregation in any capacity that would be a blessing to your church or ministry. I know you will not be disappointed.

Sincerely yours,
